Good morning, Javier. Sorry I've been out all last week in the field, and didn't get back to work until yesterday. I've tried calling from MS Teams and leaving a voicemail onto your cell number that ended in  but the voicemail system said it was full, so I couldn't. Are you available to chat later today? Thanks.

Hi Andrew,

The Tribe is asking me if I can follow up with you about Desert View. Are there any updates or information that you would like to share?
